SUMMARY

Growth and lifecycle marketing leader with 7+ years driving digital strategy, paid media, and retention marketing for fast-growing DTC and wellness brands. Pairs creative and campaign strategy with hands-on technical execution — building AI-assisted workflows, custom reporting tools, and code-based email systems that let a lean team move like a much larger one.

CORE COMPETENCIES

Lifecycle Marketing (Klaviyo, Attentive) | Paid Media Strategy (Meta, Google, YouTube, TikTok, Affiliate) | AI-Assisted Marketing Workflows (Claude Code, ChatGPT) | Shopify & eCommerce Optimization | Conversion Rate Optimization | Data Analytics & Custom Reporting | Creative & Messaging Strategy | Agency & Cross-Functional Leadership

EXPERIENCE

Head of Communications | MAKE Wellness

Feb 2025 – Present

DTC wellness brand specializing in peptide-based supplement products.

- Led team transition from a drag-and-drop email builder to hand-coded HTML templates and AI-assisted workflows (Claude Code, ChatGPT), speeding up production and enabling custom analytics tooling that replaced manual reporting.
- Migrated SMS and email infrastructure from Ziplingo to Attentive, rebuilding segmentation and automations — monthly revenue grew from an approximate \$75K baseline to over \$100K within several months of the transition.
- Lead digital communications and growth marketing strategy across Shopify, WordPress, Attentive, Meta, and Google.
- Partner with Creative and Product teams to plan and launch new product lines, driving acquisition and retention through full-funnel campaigns.
- Built and maintain a brand-safety claims framework used by 50+ creators and affiliates to keep social content compliant across platforms.
- Oversee WordPress content and CRO testing to improve conversion rates across the customer journey.
- Translate and localize marketing assets into Spanish and French to support international growth.
