\$1M+/mo

Total marketing-attributed revenue across channels

**\$500K–
800K/mo**

Revenue generated through the email channel alone

**\$10K →
\$100K**

Monthly SMS revenue growth after Ziplingo → Attentive migration

**\$25K–50K/
mo**

Budget owned across paid social and email/SMS

CORE COMPETENCIES

Lifecycle Marketing (Klaviyo, Attentive) | Paid Media Strategy (Meta, Google, YouTube, TikTok, Affiliate) | AI-Assisted Marketing Workflows (Claude Code, ChatGPT) | Media Relations & PR | Shopify & eCommerce Optimization | Conversion Rate Optimization | Data Analytics & Custom Reporting | Creative & Messaging Strategy

EXPERIENCE

Head of Communications | MAKE Wellness

Feb 2025 – Present

DTC wellness brand specializing in peptide-based supplement products.

- Own \$25K–50K in monthly budget across paid social and email/SMS, driving over \$1M/month in total marketing-attributed revenue for a company under 13 months old.
- Built the email channel into a \$500K–800K/month revenue driver, the single largest contributor to company revenue.
- Migrated SMS infrastructure from Ziplingo to Attentive, rebuilding segmentation and automations from scratch; grew monthly SMS revenue from an approximate \$10K baseline to over \$100K.
- Led team transition from a drag-and-drop email builder to hand-coded HTML templates and AI-assisted workflows (Claude Code, ChatGPT), speeding up production and enabling custom analytics tooling that replaced manual reporting.
- Partner with Creative and Product teams to plan and launch new product lines, and built a brand-safety claims framework used by 50+ creators and affiliates to keep social content compliant.
- Secured national press coverage in Direct Selling News for the company's \$100M first-year sales milestone, and produce/host a podcast series on peptide science and GLP-1 trends to build public awareness.
- Write and design print and affiliate engagement materials (e.g., the MAKE 75 Challenge guide) and oversee CRO testing and WordPress content; localize marketing assets into Spanish and French.

Marketing Manager | Sunstone Welders

June 2023 – November 2024

- Directed marketing for a multimillion-dollar eCommerce division generating over \$1M in annual revenue.
- Managed Shopify and Klaviyo campaigns generating an average of \$40K in monthly revenue, including \$30K in 3 days during Black Friday.
- Designed paid media campaigns improving ROAS by 3.4x; built a Pinterest ad strategy achieving 6.8x ROAS and \$8.7K in monthly DTC sales.
- Automated abandoned cart and upsell flows, boosting cart recovery by 1,007%.

Communications Manager | Modere

Nov 2024 – Feb 2025

- Supported digital content, internal communications, and campaign coordination for a global wellness and lifestyle brand.
- Designed internal newsletters and launch communications, and analyzed engagement metrics to refine messaging.

Digital Marketing Specialist | Little Unicorn

Dec 2021 – Dec 2023

- Scaled DTC ad performance and influencer partnerships for a lifestyle CPG brand; increased ROAS by 5% and grew social followers by 11%.
- Designed and maintained Shopify content using Adobe Photoshop and WordPress.

ADDITIONAL RESULTS

- Built an AI-assisted analytics dashboard replacing manual monthly reporting
- \$1M+ annual revenue managed at Sunstone Welders; 1,007% increase in cart conversions
- 6.8x ROAS on Pinterest; 20% conversion rate growth via CRO
